Remembering Zachary....

April 17, 1997 -
October 1, 2003

Irrepressible spirit, infectious laughter, love of life, ... are not just any words but words used to paint a picture that embodies the precious yet short life of Zachary Tran.

Six-year old Zachary tragically lost his life playing soccer on October 1, 2003 when a heavy metal goal fell on him. Zachary, a first grader at Hawthorn Option School in Vernon Hills, was full of life, energy, and hope. Zachary touched everyone he met.

In keeping Zachary's spirit alive, the family and friends of Zachary Tran are excited to announce the 2005 Zachary Tran Memorial Golf Outing to benefit the Zachary Tran Memorial Fund.

The Zachary Tran Memorial Fund provides access to worthwhile educational, athletic and artistic activities in area communities for children whose opportunities are limited. In memory of Zachary Tran, the Fund delivers the opportunities for young people to experience and participate in many of life's offerings.
